

December, 2017

"I'm dreaming of a white Christmas, with every [sentence] that I write." Wait a minute. I'm not dreaming. Christmas is only a week away, and outside my window, there's a "Winter Wonderland."

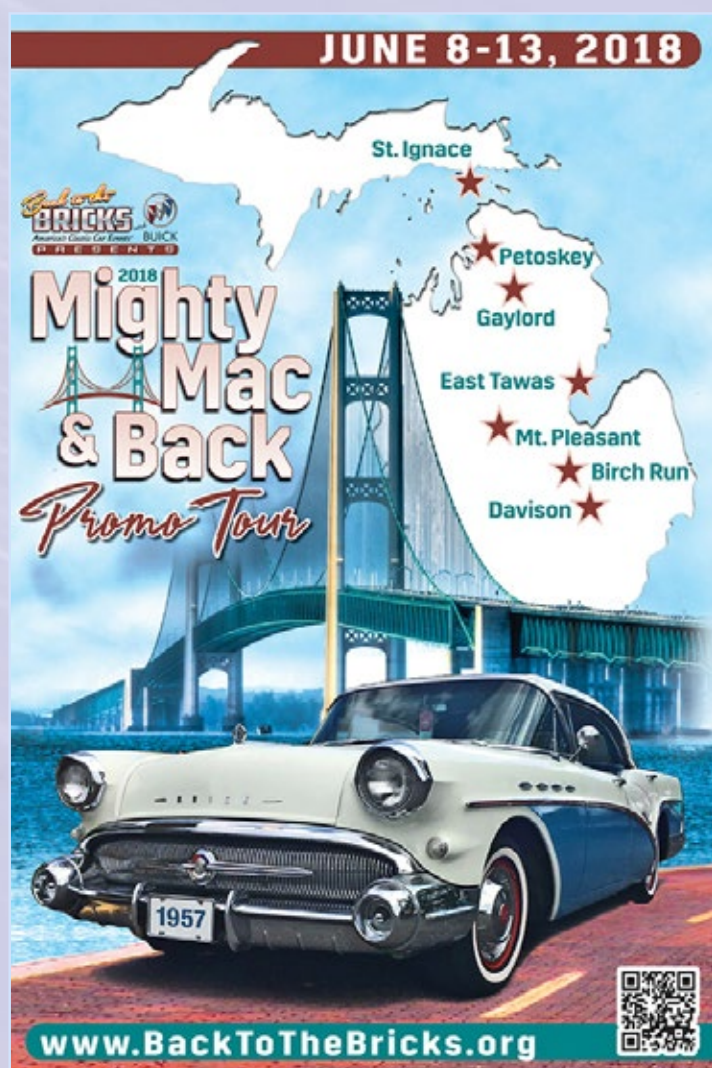

Details regarding our first two events of 2018, CHROME & ICE™, and the 2018 "Mighty Mac & Back" Promo Tour were announced to the public, television, radio, and print media at the Press Conference on December 7th. Master of Ceremonies, Board Secretary, and Committee Member, Jerry Preston introduced Dave Lorenz, Vice-President of "Travel Michigan" who spoke about the positive impact of Back to the Bricks® on the local economy of each community involved in our events.

Excitement is building as we gear up for our 3rd annual mid-winter car show, CHROME & ICE™ at the Dort Federal Credit Union Event Center in Flint, Michigan on February 9-10, 2018. This year's word is "FUN" - fun for the whole family. Steve Hobson and his committee are hard at work finalizing plans to transform the lobby, mezzanine, both arenas, and the hallway between the arenas into a gigantic indoor car show that promises to be larger and more spectacular than ever. Vendor commitments and registrations for show cars are coming in fast, but there's still time to get in on all the action. For more information, or to register your vehicle for CHROME & ICE™ 2018, [Click Here](#).

By the way, if you still need a GIFT idea for the car lovers on your list, Back to the Bricks® has the perfect solution. Advance TICKETS (\$8.00 each) for Chrome & Ice™ are on sale now at the [Dort Federal Credit Union Event Center](#) Box Office. Pick up several to enclose in Christmas cards, or use as stocking stuffers.

"The weather outside is frightful", but the "Mighty Mac & Back" [PROMO TOUR](#), June 8-13, 2018, will be here before you know it, leaving from Davison this year with overnight stops in Mt. Pleasant, Gaylord, Petoskey, St. Ignace, and East Tawas. Our "End of the Road" Luncheon" will be at the Birch Run Speedway & Event Center, and new owner, Andy Suski, promises plenty of good food, and a chance to take your vehicle for a spin around the [track](#). More about that later. The driver of each car that has traveled to all 5 of the host cities will receive the "Long Hauler's" Award. Co-chair Pete Cimballa, speaking for Rhonda Rau, (who will be completely recovered from foot surgery in time for the Tour), and individuals representing each of the host cities gave us just a hint of the excitement that is in store for us this year.

The Promo Tour will begin with breakfast on June 8th at St. John's Catholic Church in Davison. The reception hall has a full-service kitchen, plenty of parking, space to accommodate everyone comfortably, restroom facilities, a stage, and a PA system for last minute instructions. This year's itinerary features several new host cities, and a parade across the Bridge for the first time. For more information about "Mighty Mac & Back," check out the [website](#). Registration opens ONLINE or by Mail beginning January 2, 2018!

As 2017 draws to a close, and we look forward to the future, we extend a hearty thank you to each and everyone who have made Back to the Bricks® one of the best automobile events anywhere. We wish MERRY CHRISTMAS and a HAPPY NEW YEAR, and our Facebook page ready done so.

CORDially,
