BACK TO THE BRICKS™

AUTOMOTIVE PIONEERS STATUE FUND

501(C)(3)

The annual Back to the Bricks event has grown from a local 1-day car show in 2005 to one of the nation's premiere week-long automotive events. To celebrate its success and heritage, the Back to the Bricks organization created an Automotive Pioneers Statue Fund 501(c)(3) honoring the individuals who shaped an industry, a community and our nation. This group's goal is to organize events that inspire the next generation of leadership while educating the public on the legacy of the automotive industry especially in Genesee County and Flint.

Your purchase is tax deductible, and proceeds will raise money for a series of life-size bronze statues commemorating the automotive pioneers whose careers took hold in Flint. The statues will be placed throughout the city of Flint, with Louis Chevrolet as the first pioneer to be recognized. Other candidates will include David Buick, Charles Nash, C.S. Mott, Walter Reuther, Albert Champion, Charles F. Kettering and more.

Flint's automotive legacy is extremely rich and one that all of us can take pride. You can show your support and be a part of history with a personalized and permanent contribution to this effort. Etch your message, a loved one's name, or simply take this opportunity to honor the automotive pioneer in your family with a memorial brick placed near each statue.
